HTML5 Touch Audio Toggles + HUD

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

This product includes TouchAudio Toggles, and our heads-up display. With the HUD you can implement play-next, play-previous, pause, resume, scrub-reverse, or scrub-forward, as well as display the track name, time, and duration. To demonstrate how easy, and modular this system is, we show you how to easily wire up 7 unique audio interfaces.
