I-Shop Pro is an enhanced version of the free I-Shop online store CGI script. Like I-Shop it is an easy to install and easy to maintain CGI script to enable you to run your own store on your site. The only requirement is the ability to run CGI scripts and edit HTML. I-Shop PRO offers browser based management, customer tracking, emailing, order tracking, multi-tax capable and more. There are 2 versions available: Standard I-Shop PRO and Canadian "Multi-Tax" versions.
