Create a business listings directory that allows your visitors to add their own business listings. Powerful search tools, beautiful listings and search engine optimization. Visitors can search businesses by category, keyword or using a visual Google Maps search. Listings can include their own light-box photo gallery, description, hours and business contact information. Search engine optimized with search engine friend URL's, meta tags and page titles. Easy to customize. Choose from our pre-made templates or create your own. It is easy to add your own header and footer, or adjust the color scheme. Free and/or paid only and upgradable listings. Unlimited sub-category depth.
