

# Image Randomizer

|                       |                        |
|-----------------------|------------------------|
| <b>Address</b>        | {value_address}        |
| <b>Contact Person</b> | {value_contact_person} |
| <b>Mobile Number</b>  | {value_mobile_number}  |
| <b>Email</b>          | {value_email}          |

This is a simple Perl script for displaying a random image. You can select the image's alignment, define its width and height, and specify whether or not to include the image's ALT text.
