<b>Email</b>	{value_email}

You can venture into the on-demand services industry with an app that supports multiple services. You would have been astonished by the Gojek app's business model. The Gojek clone app development can include multiple on-demand services like Taxi, Food delivery, Flower delivery, etc. As the app supports multiple services, you can gain income from multiple service providers. Launch the app from Turnkeytown with options for customizing and scaling.
