Instant Realty Website gives you everything you need to create your own real estate listings website. With a one page installation process you'll have your own real estate website driven by a powerful content management system set up in minutes. Non-technical users and realty agents will be able to quickly create and publish listings to their website instantly, using only their browser. More powerful, customizable, and affordable than other solutions on the market today. Backed by free technical support and a 90-day money back guarantee, Instant Realty Website is a "must have" for anyone who is marketing their listings online or who is going to get online soon.
