# Instant Search (for Inout Search Engine)

| | |
|---|---|
| **Address** | {value_address} |
| **Contact Person** | {value_contact_person} |
| **Mobile Number** | {value_mobile_number} |
| **Email** | {value_email} |

The Instant Search addon comes with a new theme and also supports dual mode operation. This addon gives you the flexibility to choose how you want your search engine to work from your admin area, that is either in the normal mode where you can get results without ajax or you can turn on the ajax mode to get faster results via ajax. Now you can get faster results with this Instant Search addon and give a new look to your search engine with its unique theme.
