

# IPN-File Delivery

<b>Address</b>	{value_address}
<b>Contact Person</b>	{value_contact_person}
<b>Mobile Number</b>	{value_mobile_number}
<b>Email</b>	{value_email}

This program utilizes the Instant Payment Notification feature of your PayPal Business account to watch for specified file purchases and then deliver those files to the person who bought them. The files are delivered as soon as the payment is successfully processed. It even works with delayed payments like "e-Checks", waiting till the payment clears to deliver the files (software, programs, e-books, documents, images, etc.).
