

J3i Inc. - Scrollbar Generator

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Through the use of CSS scripting, you can have a customized scrollbar for use on your website. These scrollbars can be modified in color, however, the modifications are displayed only under Microsoft's Internet Explorer. Use our tool to create the scripting needed for modifying your website's scrollbar color.
