

Kaltura HTML5 Video Solution

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

This javascript library enables you to take advantage of the HTML5 and tags today. With a consistent player interface across all major browsers including Internet Explorer. The library supports a seamless fallback with Flash based playback (using Kaltura's media player – KDP3) or Java Cortado for browsers that don't yet feature HTML5 video & audio support
