Social activities This feature of our gumtree clone solution allows the buyers on the classified platform to follow the sellers of their choice, to like and comment on the products that they like the most. This option will ease the purchasing process of the users on the site. **Instant live chat** Without any mediators, the buyers can have a live chat with the sellers of the product directly and instantly through this instant live chat feature of our Letgo clone script. **Promotions** Sellers can make use of urgent promotions to get more chances of selling a product as they can list their products on all available spaces where they are more likely to be viewed by the buyers.
