

Kootali Social Networking

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Kootali lets you run your own site like Facebook. It is designed from the ground up to be the easiest to use social networking software available. Easy to install and set up, you can easily change the theme / template of your social network site. Kootali is a true Web 2.0 turnkey application. With so many facebook clones springing up, Kootali is your chance to be different.
