Layered Navigation Pro for Magento

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Make your navigation more flexible and user-friendly with Layered Navigation Pro! This extension will enable your customers to indicate all the product parameters at once without having to choose attributes one by one to find the right product. Full list of features is available on the product page. The extension is available for Magento Community Edition and for Magento Enterprise Edition.
