

Link Exchange Banner Rotator

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

This is a very small script that will rotate your LE banners so that the same LE HTML code does not get called on a page(s). It creates and inserts a random number in the section of the LE HTML code that defines what page you have the LE add on. Requires SSI.
