The more your website is hit, more selling you will be going to have. FME's Link Exchange extension tremendously increases your ranking in search engines and the flow of traffic to your site. Ultimately you get more visitors and more selling. Link exchange extension does incorporate "Reciprocal Link Exchange" module which can be configured to run automatically. It has a nice and friendly front-end layout in which all the links are maintained under categories and sub-categories. New links can be submitted right on the front-end which can be administered at the back-end. This extension comes with a module to manage Links, Categories and Configuration. Features \* Create endless link categories or links \* Site Rating \* Configurable Link Exchange rules
