

# LiteRadius Product Dealer Locator

<b>Address</b>	{value_address}
<b>Contact Person</b>	{value_contact_person}
<b>Mobile Number</b>	{value_mobile_number}
<b>Email</b>	{value_email}

LiteRadius is a web server software program that interfaces geographic locations (i.e., dealer locations or product service centers) to the Google Maps API. With LiteRadius you can: 1) Upload and manage your location data 2) Enable web site visitors to find the nearest location for your products or services 3) Easily implement Google Maps on your web site (with API Key) 4) Optionally assign individual icon markers to each location.
