Magento AJAX Cart Extension

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

AJAX Cart is a new generation extension that follows high standarts. Nowadays, the speed of life is constantly growing up and most of people would like to save as much time as possible on everything they do. So this extension not only spares time but also provides user-friendly and modern interface. There is a possibility to update shopping bag, use compare and wishlist options with no page reloads. Thus, AJAX Cart improves the shopping experience and makes customers come back again and again.
