Magento Image Zoom Extension

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Today, more and more people prefer shopping online but this does not mean they require and agree to get shopping experience less than if they were shopping in physical stores. Of course, the customers still don't have a possibility to touch products but they can get a detailed view. The extension makes use for all - the shoppers now are confident about their expectations and the web stores are going to decrease returns amount. Image Zoom positioning is configurable.
