Magento Shipping & Payment By Customer Groups

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

With the extension you can set access to payment and shipping methods by customer groups according to your business goals. Manage access to payment and shipping methods by groups; Customers see only the methods assigned to their group; Ability to provide privileges to certain customer groups; Shipping quotes only based on available methods.
