

Magento t-shirt Designer Extension

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

How about personalizing your products before buying it online! You can add your favorite photos and text to give it a personalized look and feel. Using Product Designer extension you can offer an added feature to your online customers to personalize the products using, clipart, texts and uploading images. It will help them create their own design for T-shirt, mug, mobile device skins or any other product.
