Display your images in detail. This magnify plugin was created for use on WordPress. Simply hover over an image and an elegant effect appears in the form of a magnifying glass. The size of the magnifier is easily controlled by your mouse wheel depending how large or small you want the image to be magnified. Magic Magnify works on all major web browsers. If you want it to work on iPad and iPhone, then get the next version up: Magic Magnify Plus. Contact us if you need any help with the plugin.
