

Magic Slideshow for WordPress

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Display images one after another in rotation using the Magic Slideshow plugin for WordPress. Perfect for highlighting your top blog articles or promoting your latest products. You can customize as much or as little as you want. There are over 30 options to choose from. This includes the choice to add descriptive text to each image. Magic Slideshow works on all major web browsers. It also works on iPhone, iPad and Android devices. It is easy to install, with just 5 simple steps. And with a 100% money back guarantee this is definitely a win-win. Contact us if you need any help. Follow us for the very latest on Facebook: <http://www.facebook.com/MagicToolbox> and Twitter: <http://twitter.com/magictoolbox>
