Massage business is similar to spa business and most entrepreneurs would like to start this business because of the flexibility in the business and it can be started by a single person or hire two people to do this job. It requires small place to start and keep going, it is good if you hire people who have expertise in massaging. People want to try massaging services at least once in a month and it is necessary to keep hold of the customers who come for your services. It is good to do in your own place or move to the client's place. For the price list, compare with the competitors to get the right price for the service.
