

Matt Wright's SSI Random Image Displayer

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Server Side Include Random Image Displayer is a slightly extended version of the Basic Random Image Displayer. This Server Side Includes version allows you to have a random image appear together with its corresponding random link, as well as a few more configurable options than the Basic Random Image Displayer.
