Max Comments

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Allows visitors to leave comments about the article/webpage they've just read. Login/signup process allows users to edit/add their comments. Page-inated control panel to manage users/comments. Also allows for columnists/bloggers on your website. Easy install of identical javascript call on all your webpages. Email notification (to you) when comments are left. Uses MySQL.
