

Mist Theme (for Inout Search Engine)

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Mist Theme addon will give a modern, sleek, stylish look to your Inout Search Engine. It allows the administrator to create any number of themes from the admin area and organize it into different categories. The end users can choose any of these themes according to their preference. Mist theme transforms the entire style of the search engine to a different level.
