Mix-FX Flash animations is an easy-to-use animator to create Flash text effects, Flash buttons and Flash animations, without using Flash. Mix-FX lets you create hundreds of different effect combinations. Change sizes and colors and you have millions of possibilities! Mix-FX is designed to be simple to use, even for those with no Flash knowledge or design skills. Mix-FX effects have low file sizes, and can be used in Flash 4 or 5, in any HTML editor, and PowerPoint.
