Monitor Adsense

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Monitor adsense with this free adsense tracking script. Now you can track your performance throughout the day, receive email updates and store the information in a database. It's plain text, so you can see what is really going on behind the scenes! No need to trust your account information with a program you don't understand. Also includes html to read your stats from the database and a SMS utility.
