

MultiVendor - Digital Products Mall, Multiple Vendor Support

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

MultiVendor is an online mall-shopping cart exclusively for digital products. It supports multiple vendors and commission tracking. Each vendor has their own control panel for adding products and viewing their sales history. You can set a commission to take off each product, all earnings are tracked automatically for easy payout to your Vendors. MultiVendor uses Paypal IPN and includes a robust collection of digital download delivery script features, such as secure downloads, automated download delivery, custom email messages, mailing list export, shopping cart storefront with unlimited category system, mod rewrite for search engine friendly URLs, check out live demonstrations at our site.
