

My ASP Page Lock

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Updated! - My ASP Page Lock is an easy and fast way to restrict access to any page in your site. Completely idiot proof, you should have no trouble installing and using it within a matter of minutes. Uses only one password, no database required. "Securely locks any webpage with one line of SSI code".
