Email	{value_email}

My Photo Album is an ASP photo album for all of your digital images. It allows you to organize and search your photos, as well as share them across the Internet. Thumbnails are created automatically, and you can add images through its upload feature, FTP, or directly from your computer. My Photo Album also makes it easy to share your photos with family and friends, by e-mail or you can have them visit. **New in version 2.0:** Now includes source code, Enhanced security, Support for multiple albums, Easier browsing, and Handles most image formats.
