Sell and Publish ads across any and all of your sites. Try the free online demo. ClipperSoft's mySimpleAds is the ad management package for the rest of us. Do you want to display Google Adsense ads to only certain countries? How about having an ad banner rotation with multiple image formats and sizes? What about a text ad rotator? mySimpleAds doesn't have the bloat and slowness of larger ad management packages, such as openx. Throw the learning curve away, mySimpleAds was written with you in mind, and provides a simple and easy to use and extremely user-friendly administrative control panel. Then with one simple line in your website you can display one or even rotate amongst an entire group of ads with the ability to change them at your whim right through the web control panel. *Built-In Sales and Payments *Mobile Banner Sizes *Geo Targeting *Ad Weighting and Limiting *Target By Keyword *Ajax Banners / Ad Codes / Links *Banner Uploads *Helpful Support :-) !
