NBDesign's Shopper Cart v1.0 was built with PayPal in mind. With our cart, you can manage everything through an easy to use administrative interface. Just about everything is dynamic. We left the design fairly bare so that you can easily implement this shopping cart into your existing web site or use as a stand alone site with our dynamic page creation. Easily add new products and product images with one simple form. NBDesign's Shopper Cart v1.0 Features: Dynamic Top Menu Easy product addition and photo upload Dynamic page creation with a rich text editor to add pizazz to your pages Dynamically set your options with the ability to show per product Auto calculate your local sales tax Excellent Search Feature Fully functional Secure Back End and more....
