With NetMarks Manager you can store and easily manage thousands of bookmarks. Full integration with Internet Explorer and Firefox lets you create and access bookmarks directly from a toolbar button or menu option while you are browsing the web. Use the powerful search engine to locate bookmarks rapidly, take notes about a bookmark and store keywords, preview sites and highlight your favorite bookmarks. NetMarks Manager lets you manage duplicate bookmarks, synchronize sites, store web icons and thumbnails, keep track of your most popular bookmarks, and detect and load bookmarks from Internet Explorer, Firefox, Mozilla, Netscape and Opera, and has many more features. NetMarks Manager comes with a variety of user options, comprehensive help and tips, and is an easy-to-use and powerful tool for anyone from the home web surfer to professional web users.
