netPROFIT Lite is a fully integrated digital goods delivery system. With complete administration module and PayPal IPN this 100% ASP solution is your only answer for accepting, processing and delivering digital file purchases. Whether you sell software, MP3s or research reports, netPROFIT Lite will help increase your sales while reducing your work effort. Now with inbuilt Subscription support, you can offer online subscription sales. Whether you have a fee-for-service support site or private members only site, be assured that netPROFIT Lite can now allow you to charge for this access.
