Newsletter Extension for Magento

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

The Advanced Newsletter extension will help you increase your subscriber base with a highly customizable user interface and targeted sign-up options, while the segmentation features let you target your subscribers with the most relevant content. Building upon all the inherent newsletter functionality that Magento offers, the feature-rich Advanced Newsletter equips you with a newsletter subscription and management system that will catapult your sales to greater heights.
