

# Non-Persistent Cookie

<b>Address</b>	{value_address}
<b>Contact Person</b>	{value_contact_person}
<b>Mobile Number</b>	{value_mobile_number}
<b>Email</b>	{value_email}

This JavaScript uses cookies to get input from the user 1 time per users web session. It uses a non-persistent cookie to prompt the user for a word - it then stores it for the rest of that web browser's life. It will use the value input and stored in the cookie to put that word onto the page that it is loading.
