One Page Conference - Event Template

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

One Page Conference & Event Template is a very clean, responsive & super flexible multipurpose template. It's perfect to promote your work or your events, conference page. It is created using HTML5 and CSS3 coding. This template was built on bootstrap in order to take advantage of the rich features this framework has without neglecting the latest code standards. With a responsive design it is easily usable with any device like: Desktop, Tablet or Mobile phone and on all major browsers like: IE, Firefox, Opera, Google Chrome and Safari.
