

# Open Source Chat Script (support system)

<b>Address</b>	{value_address}
<b>Contact Person</b>	{value_contact_person}
<b>Mobile Number</b>	{value_mobile_number}
<b>Email</b>	{value_email}

Opensourcechat is ajax and jquery based script that helps you to do real time chat with the visitors on your website. It enables you to chat with the visitors on your websites in real time, makes you to listen to their doubts and problems and provide them with the suitable answers. Opensourcechat brings your visitors more close to you and have the potential to CHANGE the VISITORS into BUYERS. If you are selling some products online then this script helps you to increase your product sale.
