

Order Manager by CGI-World.Com

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Now setting up your website to accept orders and process instant credit card/paypal transactions is a simple process. No database setup required, Order Manager lets you create regular HTML Pages/Forms which you can add any product / service you offer to be purchased. Integrates with PayPal and LinkPoint and Authorize.net merchant accounts.
