

Order Reminders for Magento

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

To make sure your customers pay on time, Kinento's Order Reminders module provides you with an automatic reminder email system. With invoice or proforma attachments, a two-fase reminder system and different settings for prepaid or onaccount customers, Order Reminders provides the wanted functionality for any webshop. Two templates for a first and a second reminder email are provided, including all relevant order data. Additionally, the templates are customizable, allowing to incorporate your wishes and represent your webshop's unique style.
