P3P Wiz is a simple and easy to use, real-time, web-based, P3P Compliant Privacy Policy Wizard. It generates and (if required) automatically installs all aspects of your Privacy Policy including: P3P (XML) Reference File, Multiple P3P (XML) Policies, Human Readable (HTML) Privacy Statement and Compact Headers. The included Installation Wizard allows secure and automatic installation to your web site requiring no downloading or manual installation. Privacy Policy data is also supplied in raw format, preview and as a customized zip file. Password protected online editing allows you to modify your Privacy Policy as required. P3PWiz now includes the first real-time 'P3P Privacy Validation Seal', ensuring customer trust in your website.
