PartyList

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

This script allows you to run and operate, pain free, an automated party listing service on your website. This is a fantastic and viral way to get your sites visitors to check your site frequently. It is also excellent at giving your visitors a new way to interact with each other. This not only increases your hit and repeat visitor counts, but also adds an atmosphere of togetherness that can only result in your customers feeling better about your website.
