

Password Plus for iBuySpy

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Password Plus for iBuySpy is a set of essential add-ons to the iBuySpy portal system. The package includes the following critical password extensions: Retrieve Password - allows a user who has lost or forgotten his password to request that his password is automatically sent to the email address that he registered with; Change Password - allows an authenticated user to change their password. Compatible with iBuySpy. Source code included.
