This is a OsDate payment module script ,With this module you can protect access to a part of your OsDate site or to any particular content (images, users galleris, users videos, reading messages etc ....) while earning money! Only those who have paid for access via Allopass can access your OsDate content! Why using OsDate AlloPass Module ? Simple: a simple phone call enables your visitor to obtain their Allopass code and access your paid-access content.. Discreet: no description of the service paid for on the phone bill or bank statement. Reliable: the previous year, the interruption rate from the Allopass service was about 0.03%
