

PC Authorize Gateway

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

This is an automatic membership/administration program for passwords sites which interfaces into TELLAN'S pcauthorize hub. If you have your own merchant account, it allows you to interface directly into your bank and validate credit card real-time from pcauthorize. It also automates password databases for membership sites and includes all the Mastergate fraud-scrubbing and duplicate transaction blocking tools.
