

PHP Simple Gallery Script

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

This script is meant for small gallery (less than 100 files). This is an index file which you can upload to your directory full of images. With this file you may view those images as gallery with ease and you don't need to edit this file as you delete or add more images to your directory.
