

PHP Store Scripts Directory

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

This is a script's search directory with new front end options such as the possibility for users to save listings to account, free or paid ad options for featured ads, script reviews and ratings, site statistics and a lot more than that. In addition to the standard features, the admin area features include the multiple currency option, google adsense integration, unlimited categories and subcategories, the addition of links and articles and many other options.
