

# PHPFABER eBay2RSS Generator

<b>Address</b>	{value_address}
<b>Contact Person</b>	{value_contact_person}
<b>Mobile Number</b>	{value_mobile_number}
<b>Email</b>	{value_email}

Dynamically generates RSS feeds of eBay listings. There are millions of items for sale everyday on eBay. Why not show them on your pages and make some money?! Simply enter the product search terms and the number of listings to be shown, an RSS file will be generated for you. New in this version: Adding affiliate tracking information became possible! So, it is generating RSS feeds that include affiliate tracking data. Two affiliates providers are available. They are Commission Junction and Mediaplex. Also you may show items from selected category only!
