

## Points & Rewards

<b>Address</b>	{value_address}
<b>Contact Person</b>	{value_contact_person}
<b>Mobile Number</b>	{value_mobile_number}
<b>Email</b>	{value_email}

Flexible Points & Rewards rules allow your customers to earn different number of points while buying products from various categories, with certain SKU, price, or any other item attribute. The Points & Rewards extension offers the built-in referral system with flexible settings, so that you can reward your customers for inviting their friends as well as for their referrals' purchases. Stimulate your customers to tell their freinds about your Magento store!
